

As Worshipful Master, I extend to you and your wife an invitation to attend the United Horowhenua Lodge No 464 for the 200th Regular Meeting in the presence of the Deputy Grand Master, RW Bro Graham Wrigley and his Grand Delegation. We will also be initiating Mr Andrew Hardy as a member of our Lodge.

It doesn't matter if you do not regularly attend Lodge, it will be our pleasure to host you for the evening for an evening of friendship and a good opportunity to meet old friends or make new friends. The year is shaping up to be a good year following the initiation of three candidates so far this year arising out of displays we have put on and the open day at the Lodge. We also have a number of candidates on the horizon so next year is looking even better.

Kind fraternal regards

Brian Evans
Worshipful Master
