

**Letter from the Applicant should include: -**

- Copy of current Curriculum Vitae (CV) and/or references to support the request for assistance
- What he/she expects to gain from approval of the request and by undertaking the activity
- What he/she plans to do in the future (employment/activity)
- What he/she is doing to raise funds or otherwise contribute towards funding for the activity
- Confirmation that he/she would attend a lodge meeting or function to talk about their experiences to members, spouses and friends.
- How he/she found out about the Wellington Masonic Youth Trust
- Any other relevant comments or background information

**Lodge letter in support must include: -**

- The nature and extent of support from the supporting Lodge. Where the Lodge is able to provide financial support, the amount is required to be stated on Page 1.
- General background on the applicant and his/her family which will assist the Trust in considering the application.
- Whether the family / individual's contribution is considered reasonable having regard to factors identified in assembling the application documents package.
- Confirmation of applicant's contribution to the project
- What the applicant is likely to gain from approval of the request
- What follow up activity will be undertaken by the Lodge after the applicant has completed the activity
- The extent and nature of publicity for Freemasonry expected to derive from approval of the request
- Any other relevant comments which may assist the trustees in making a decision in respect of the application
