

# A Traveller's Tale – All Welcome

## Westminster Lodge No. 308 – An Invitation to a Special Evening

Ever the adventurer, Past Master Marty Arrell joined an organised 5-month cycle ride from Cairo to Cape Town. After almost five months of hard slog across deserts, through rain forests, circumnavigating war zones, pot holes, keeping out of the way of wildlife, repairing his bicycle and warding off Malaria, Marty's team reached the last border, that from Namibia to South Africa. Therein lies another tale.

Now safely back in New Zealand, and dreaming of his next adventure, Marty will be presenting the story and pictures of his epic continental ride at a special meeting to which partners, widows, visitors and friends are cordially invited.
