The Christmas Function for all Freemasons is on again this year. Last year it was an absolutely awesome night as attested too by so many. This year it's going to be even more OR-SOME!(spelt with an O). This year we have to entertain us Mr James Davis who has an amazing voice made for that Gospel aspect and the Miti Family Band Swaggin Wagon. This band is really something to write home about. Check out our Face Book page. [www.facebook.com/Freemasons-Christmas-Function](http://www.facebook.com/Freemasons-Christmas-Function). On that page you can watch & listen to a sampling of the music for the night. This Function is open to Freemasons your friends family and anybody else you want to bring along. It'll be a good night. Please show your support for the Districts and come along & enjoy!

*This function is about all Freemasons joining together as one*  
You will not be disappointed.
