**To the Brethren of the Northern Division  
Freemasons of New Zealand.**

Lodge Whitianga -- 'The Jewel in the Crown of Masonry on the Coromandel' has made the decision to look outside the box to suit today's market and alter the dates we meet and the time we tyle to help the many Freemasons who make --or would like to make -- the trip to this wonderful seaside holiday resort town, **without** the hassle of a minimum of 2 hours driving time in atrocious weather and exacting roads

These changes allow for the many Brethren who can afford to have an extended weekend, attend (or join) our Monday Lodge; or even special meetings over the festive season; and therefore overcome night time driving.

Hence, we have decided to have a Spring to Autumn Masonic calendar.

In short:-

- Meeting on the 4<sup>th</sup> Monday of the month from September to May at 11.30 A.M.—with a couple of Saturday meetings thrown in—these at 2.00 pm
- Being in RECESS during June and July —those cold, wet, dark, and bitter months
- Meeting on the 4<sup>th</sup> Monday of the month from October thru April at 7.30 pm -again with a couple of the 2.00 pm Saturdays thrown in— and including social meeting's in December, and January -- you know the drill—open; greet; close; refectory (or B B Q )

Attached is the schedule from May 2018 thru to July 2019.

We will be advising thru the various calendars and the Division website, each meeting date and time—plus the workings. We look forward to your support and encouragement

Fraternally  
John C Hoyte  
Master
