

KEEPING IN TOUCH

Masonic networking

Grand Lodge is very keen for us all to make good use of the Southern Division Web Site.

Especially, for Lodges to report their upcoming events and news – there is feature on the web site for this to be done.

This is not a substitute for Notice Papers. We are not being asked to change the way we do things. It's just an extra little, but important, task for Lodge Secretaries or Lodge Communications Officers.

It's not too much different to sending Notice Papers to Bro.Grumpy's 'Masonic Moments' except that secretaries are asked to enter details on the web page themselves. The job could be delegated to any member of your lodge with computer savvy. Please bear in mind that the webmaster does not extract information from Notice Papers or Bro.Grumpy – we have to enter the details ourselves.

The Lodges in several Districts are making good use of the Southern Division Web Site.

We are separated by distance but the web brings us together at the speed of light.
